

## **“Unveiling Elegance: CERA Launches State-of-the-Art CERA Style Studio in Morbi”**

CERA, Premium Bathroom Solutions provider in India, has recently inaugurated its Company Display Studio, known as the CERA Style Studio, located in Morbi. Morbi is renowned as the ceramic hub of India, making it a significant location for this venture.

Spanning over an expansive area of 12,000 square feet, the CERA Style Studio serves as the biggest platform to showcase the complete range of CERA tiles, along with the Display of Sanitaryware products.

The CERA Style Studio, Morbi was inaugurated by Mrs. Deepshikha Khaitan, Joint Managing Director, in the presence of a large number of guests including Channel Partners, Customers, and Business Associates.

### **JMD Quote**

"We are delighted to open the doors of our new CERA Style Studio in Morbi for Architects, Channel Partners and Customers. This showroom is not just a space, but a reflection of our dedication to excellence, innovation, and customer satisfaction. This showroom is evidence of our commitment to providing the best to our customers, and we are excited to share this exciting chapter with all of you."

### **About CERA:**

CERA Sanitaryware Limited is the pioneer and innovator in home solutions products such as sanitaryware, faucets, tiles, wellness and kitchen sinks. While Sanitaryware has been CERA's forte, it has also established as a frontrunner in faucets and tiles too in recent years.
